

JUNIOR CONSULTANT

at Clintworld GmbH

Clintworld is an owner-managed software company based in Bönningstedt near Hamburg. The focus is on international sales and the further development of the self-developed tariff and simulation software **Clintview**. The target group are network operators and resellers in the telecommunications sector. Project teams integrate this software into the customer's systems as part of implementation projects and, together with the customer, specify additional web applications that allow simple and use-case-centered access to the Clintview functionality.

As **Junior Consultant**, you will become part of our project team and support our experienced project managers in processing our customer projects, both for new and existing customers.

Job Duties & Responsibilities

- Support experienced employees in all phases of implementation, collaborating cross-functionally as you solve, design, build, and ship solutions to our customers' problems within our own software Clintview.
- During operation, ensure customer satisfaction while building lasting relationships between customers and our developers.
- Create and / or expand documentation.
- Test new releases.

What You Bring

- BS or MS in Computer Science, Business Informatics—or something similar.
- Ability to collect, analyze, and interpret data (SQL).
- A genuine curiosity about people, their goals and their business challenges with a desire to help them find the right solution.
- Strong time management, organization, and decision-making skills.
- Commitment to reinforcing a safe, inclusive work environment.
- Proficient language skills in German and English or in German and French.
- A certain willingness to travel.

Location/Remote Opportunities

We have a beautiful office in Bönningstedt (near Hamburg), but a majority of us are working remotely (some 50+ of us) right now. Permanently remote applicants will be considered, but we'll give priority to local applicants, those willing to relocate, and those within CET (UTC+01:00).

What You Receive

- A full-time position with flexible working hours and 30 vacation days.
- A great compensation package (fixed salary with individual bonus agreement).
- A varied job and exciting project opportunities.
- A competent, friendly team.
- Great flexibility and room for creativity.
- Part time home office model.
